

tesseract_planning
::Profile

```
graph BT; ProfileBase2[ProfileBase2] --> Profile[tesseract_planning::Profile];
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box labeled 'ProfileBase2'. A blue arrow points vertically upwards from this box to a white rectangular box at the top. The top box is labeled 'tesseract_planning' on the first line and '::Profile' on the second line. The boxes have thin black borders.
